Leigh  
Kimmett*

*On December 31, 1981 we were blessed with  
your birth, our beautiful baby girl, an  
incredible gift to us. On February 17, 2008  
as a brilliant young lady and a gift to the  
world, you were taken from us. We love you  
immeasurably and miss you so very much.  
All of us cherish your memory and every  
minute of every hour we hold you in our  
thoughts, our hearts, and our souls.*

*Love you forever Lindsay,  
Mom, Dad, Taylor, & Reid*
